§ 4.12 How may a State simplify, consolidate, or substitute federally required State plans?

(a) As used in this section:

(1) *Simplify* means that a State may develop its own format, choose its own submission date, and select the planning period for a State plan.

(2) *Consolidate* means that a State may meet statutory and regulatory requirements by combining two or more plans into one document and that the State can select the format, submission date, and planning period for the consolidated plan.

(3) *Substitute* means that a State may use a plan or other document that it has developed for its own purposes to meet Federal requirements.

(b) If not inconsistent with law, a State may decide to try to simplify, consolidate, or substitute federally required state plans without prior approval by the Administrator.

(c) The Administrator reviews each state plan that a State has simplified, consolidated, or substituted and accepts the plan only if its contents meet Federal requirements.

§ 4.13 May the Administrator waive any provision of these regulations?

In an emergency, the Administrator may waive any provision of these regulations.

Subpart A—General Provisions

§ 5.1 Scope and purposes of part.

This part sets forth policies and procedures concerning the availability of and disclosure of records and information held by the Federal Emergency Management Agency (FEMA) in accordance with 5 U.S.C. 552, popularly known as the “Freedom of Information Act,” (FOIA).

§ 5.2 Application.

This part applies to all records and information materials generated, developed, or held by FEMA at Headquarters, in Regions, or in the field, or any component thereof.

§ 5.3 Definitions.

For purposes of this part, the following terms have the meanings ascribed to them in this section:

(a) *Records*. *Records* means all books, papers, maps, photographs, or other documentary materials, regardless of physical form or characteristics made or received by FEMA in pursuance of Federal Law or in connection with the transaction of public business and preserved, or appropriate for preservation, as evidence of the organization, functions, policies, decisions, procedures, operations, or other activities of FEMA or because of the information value of data contained therein. The term does not include:

44 CFR Ch. I (10–1–09 Edition)

(1) Material made or acquired and preserved solely for reference or exhibition purposes, extra copies of documents preserved only for convenience of reference, and stocks of publications and of processed documents; or

(2) Objects or articles, such as structures, furniture, paintings, sculpture, models, vehicles or equipment; or

(3) Formulae, designs, drawings, research data, computer programs, technical data packages, and the like, which are not considered *records* within the Congressional intent of reference because of development costs, utilization, or value. These items are considered exploitable resources to be utilized in the best interest of *all* the public and are not preserved for informational value nor as evidence of agency functions. Requests for copies of such material shall be evaluated in accordance with policies expressly directed to the appropriate dissemination or use of these resources. Requests to inspect this material to determine its content for informational purposes shall normally be granted, unless inspection is inconsistent with the obligation to protect the property value of the material, as, for example, may be true for patent information and certain formulae, or is inconsistent with another significant and legitimate governmental purpose.

(b) *Reasonably Described*. *Reasonably described*, when applied to a request record, means identifying it to the extent that it will permit the location of the particular document with a reasonable effort.

(c) *Agency*. *Agency*, as defined in section 552(e) of title 5 U.S.C., includes any executive department, military department, government corporation, or other establishment in the executive branch of the Government (including the Executive Office of the President), or any independent regulatory agency.

(d) *Headquarters FOIA Officer*. The FOIA/Privacy Act Specialist or his/her designee.

(e) *Regional FOIA Officer*. The Regional Administrator, or his/her designee.

[44 FR 50287, Aug. 27, 1979, as amended at 45 FR 1421, Jan. 7, 1980; 51 FR 34604, Sept. 30, 1986]

Federal Emergency Management Agency, DHS

§ 5.20

§ 5.4 Availability of records.

(a) FEMA records are available to the greatest extent possible in keeping with the spirit and intent of FOIA and will be furnished promptly to any member of the public upon request addressed to the office designated in § 5.26. The person making the request need not have a particular interest in the subject matter, nor must he provide justification for the request.

(b) The requirement of 5 U.S.C. 552 that records be available to the public refers only to records in being at the time the request for them is made. FOIA imposes no obligation to compile a record in response to a request.

§ 5.5 Exemptions.

Requests for FEMA records may be denied if disclosure is exempted under the provisions of 5 U.S.C. 552, as outlined in subpart E. Usually, except when a record is classified, or when disclosure would violate any other Federal statute, the authority to withhold a record from disclosure is permissive rather than mandatory. The authority for nondisclosure will not be invoked unless there is compelling reason to do so.

§ 5.6 Congressional information.

Nothing in this part authorizes withholding information from the Congress except when executive privilege is invoked by the President.

§ 5.7 Records of other agencies.

If a request is submitted to FEMA to make available current records which are the primary responsibility of another agency, FEMA will refer the request to the agency concerned for appropriate action. FEMA will advise the requester that the request has been forwarded to the responsible agency.

§ 5.8 Records involved in litigation or other judicial process.

Where there is reason to believe that any records requested may be involved in litigation or other judicial process in which the United States is a party, including discovery procedures pursuant to the Federal Rules of Civil Procedure or Federal Rules of Criminal Pro-

cedure, the request shall be referred to the Chief Counsel.

§ 5.9 Inconsistent issuances of FEMA and its predecessor agencies superseded.

Policies and procedures of any of FEMA's predecessor agencies inconsistent with this regulation are superseded to the extent of that inconsistency.

Subpart B—Publication of or Availability of General Agency Information, Rules, Orders, Policies, and Similar Material

§ 5.20 Publication of rules and general policies.

In accordance with 5 U.S.C. 552(a)(1), there are separately stated and currently published, or from time to time there will be published, in the FEDERAL REGISTER for the guidance of the public, the following general information concerning FEMA:

(a) Description of the organization of the Headquarters Office and regional and other offices and the established places at which, the employees from whom, and the methods whereby the public may obtain information, make submittals or requests, or obtain decisions.

(b) Statement of the general course and method by which FEMA functions are channeled and determined, including the nature and requirements of all formal and informal procedures available.

(c) Rules of procedure, descriptions of forms available or the places at which forms may be obtained, and instructions as to the scope and contents of all papers, reports, or examinations.

(d) Substantive rules of general applicability adopted as authorized by law, and statements of general policy or interpretations of general applicability formulated and adopted by FEMA.

(e) Each amendment, revision, or repeal of the materials described in this section. Much of this information will also be codified in this subchapter A.

§5.21

§5.21 Effect of failure to publish.

5 U.S.C. 552(a)(1) provides that, except to the extent that a person has actual and timely notice of the terms thereof, a person may not in any manner be required to resort to, or to be adversely affected by, a matter required to be published in the FEDERAL REGISTER and not so published.

§5.22 Coordination of publication.

The Chief Counsel, FEMA, is responsible for coordination of FEMA materials required to be published in the FEDERAL REGISTER.

§5.23 Incorporation by reference.

When deemed appropriate, matter covered by this subpart, which is reasonably available to the class of persons affected thereby may be incorporated by reference in the FEDERAL REGISTER in accordance with standards prescribed from time to time by the Director of the Federal Register (see 1 CFR part 51).

§5.24 Availability of opinions, orders, policies, interpretations, manuals, and instructions.

FEMA will make available for public inspection and copying the material described in 5 U.S.C. 552(a)(2) as enumerated in §5.25 and an index of those materials as described in §5.28, at convenient places and times.

§5.25 Available materials.

FEMA materials which are available under this subpart are as follows:

(a) Final opinions and orders made in the adjudication of cases.

(b) Those statements of policy and interpretations which have been adopted by FEMA and are not published in the FEDERAL REGISTER.

(c) Administrative staff manuals and instructions to staff that affect a member of the public, unless such materials are promptly published and copies offered for sale.

§5.26 Rules for public inspection and copying.

(a) *Location.* Materials are available for public inspection and copying at the following locations:

(1) Headquarters:

(c) FEMA will furnish reasonable copying services at fees specified in subpart C. Such reproduction services as are required will be arranged by the Office of Administrative Support in the headquarters or by regional offices as appropriate.

(d) *Handling of materials.* The unlawful removal or mutilation of materials is forbidden by law and is punishable by fine or imprisonment or both. [44 FR 50287, Aug. 27, 1979, as amended at 47 FR 13149, Mar. 29, 1982; 48 FR 44542, Sept. 29, 1983; 50 FR 40006, Oct. 1, 1985; 74 FR 15333, Apr. 3, 2009]

§5.27 Deletion of identifying details.

To the extent required to prevent a clearly unwarranted invasion of personal privacy, FEMA may delete identifying details when making available or publishing an opinion, statement of policy, interpretation, or staff manual or instruction. However, the justification for each deletion will be explained fully in writing, and will require the concurrence of the Chief Counsel. A

Federal Emergency Management Agency, DHS

§ 5.42

copy of the justification will be attached to the material containing the deletion and a copy will also be furnished to the Headquarters FOIA Officer or appropriate Regional Administrator.

§ 5.28 Indexes.

FEMA will maintain and make available for public inspection and copying current indexes arranged by subject matter providing identifying information for the public regarding any matter issued, adopted, or promulgated after July 4, 1967, and described in § 5.25. FEMA will publish quarterly and make available copies of each index or supplements thereto. The indexes will be maintained for public inspection at the location described in § 5.26.

§ 5.29 Effect of failure to make information materials available.

Materials requested to be made available pursuant to § 5.24 that affect a member of the public may be relied upon, used, or cited as precedent by FEMA against any private party only if (a) they have been indexed and either made available or published as required by 5 U.S.C. 552(a)(2), or (b) the private party has actual and timely notice of their terms.

Subpart C—Fees

§ 5.40 Copies of FEMA records available at a fee.

One copy of FEMA records not available free of charge will be provided at a fee as provided in § 5.46. A reasonable number of additional copies will be provided for the applicable fee where reproduction services are not readily obtainable from private commercial sources.

§ 5.41 FEMA publications.

Anyone may obtain FEMA publications without charge from the FEMA Headquarters, Regional Offices, the FEMA Library at www.FEMA.gov, or from the FEMA Distribution Center at P.O. Box 2012, 8231 Stayton Drive, Jessup, Maryland 20794 in accordance with standard operating procedures, including limitation on numbers of specific individual publications. FEMA Films may be obtained on loan or cer-

tain of these films may be purchased, in which case fees will be charged as set out in a FEMA catalogue. Non-exempt FEMA research reports are available from the National Technical Information Service, United States Department of Commerce, which establishes its own fee schedule. Charges, if any, for these items and similar user charges are established in accordance with other provisions of law as, for example, 31 U.S.C. 9701 and are not deemed search and duplication charges hereunder.

[44 FR 50287, Aug. 27, 1979, as amended at 48 FR 44542, Sept. 29, 1983; 50 FR 40006, Oct. 1, 1985]

§ 5.42 Fees to be charged—categories of requesters.

(a) There are four categories of FOIA requesters: Commercial use requesters; representatives of news media; educational and noncommercial scientific institutions; and all other requesters. The time limits for processing requests shall only begin upon receipt of a proper request which reasonably identifies records being sought. The Freedom of Information Reform Act of 1986 prescribes specific levels of fees for each of these categories:

(1) When records are being requested for commercial use, the fee policy of FEMA is to levy full allowable direct cost of searching for, reviewing for release, and duplicating the records sought. Commercial users are not entitled to two hours of free search time nor 100 free pages of reproduction of documents. The full allowable direct cost of searching for and reviewing records will be charged even if there is ultimately no disclosure of records. Commercial use is defined as a use that furthers the commercial, trade or profit interests of the requester or person on whose behalf the request is made. In determining whether a requester falls within the commercial use category, FEMA will look to the use to which a requester will put the documents requested. Where a requester does not explain his/her use, or where his/her explanation is insufficient to permit a determination of the nature of the use, FEMA shall require the requester to provide information regarding the use to be made of the information and if

the request does not include an agreement to pay all appropriate fees, FEMA will process such request only up to the \$30.00 threshold which is the estimated cost to FEMA to collect fees which we are prohibited from charging by law. Requesters must reasonably describe the records sought.

(2) When records are being requested by representatives of the news media, the fee policy of FEMA is to levy reproduction charges only, excluding charges for the first 100 pages. Representatives of the news media refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term *news* means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances where they can qualify as disseminators of “news”) who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. As traditional methods of news delivery evolve (i.e., electronic dissemination of newspapers through telecommunications services), such alternative media would be included in this category. In the case of “freelance” journalists, they may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. For example, a publication contract would be the clearest proof, but FEMA may also look to the past publication record, press accreditation, guild membership, business registration, Federal Communications Commission licensing, or similar credentials of a requester in making this determination. To be eligible for inclusion in this category, requesters must meet the criteria specified in this section and his or her request must not be made for a commercial use basis as that term is defined under paragraph (a)(1) of this section. A request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use.

Requesters must reasonably describe the records sought.

(3) When records are being requested by an educational or noncommercial scientific institution whose purpose is scholarly or scientific research, the fee policy of FEMA is to levy reproduction charges only, excluding charges for the first 100 pages. Educational institution refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education and an institution of vocational education, which operates a program or programs of scholarly research. Noncommercial scientific institution refers to an institution that is not operated on a commercial basis as that term is defined under paragraph (a)(1) of this section and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry. To be eligible for inclusion in this category, requesters must show that the request is being made under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a noncommercial scientific institution) research. Requesters must reasonably describe the records sought.

(4) For any other request which does not meet the criteria contained in paragraphs (a)(1) through (3) of this section, the fee policy of FEMA is to levy full reasonable direct cost of searching for and duplicating the records sought, except that the first 100 pages of reproduction and the first two hours of search time shall be furnished without charge. The first two hours of computer search time is based on the hourly cost of operating the central processing unit and the operator’s hourly salary plus 16 percent. When the cost of the computer search, including the operator time and the cost of operating the computer to process the request, equals the equivalent dollar amount of two hours of the salary of the person performing the search, i.e.,

Federal Emergency Management Agency, DHS

§ 5.44

the operator, FEMA shall begin assessing charges for computer search. Requests from individuals requesting records about themselves filed in FEMA's systems of records shall continue to be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for reproduction. Requesters must reasonably describe the records sought.

(b) Except for requests that are for a commercial use, FEMA may not charge for the first two hours of search time or for the first 100 pages of reproduction. However, a requester may not file multiple requests at the same time, each seeking portions of a document or documents, solely in order to avoid payment of fees. When FEMA believes that a requester or, on rare occasions, a group of requesters acting in concert, is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, FEMA may aggregate any such requests and charge accordingly. For example, it would be reasonable to presume that multiple requests of this type made within a 30-day period had been made to avoid fees. For requests made over a longer period, however, FEMA must have a solid basis for determining that aggregation is warranted in such cases. Before aggregating requests from more than one requester, FEMA must have a concrete basis on which to conclude that the requesters are acting in concert and are acting specifically to avoid payment of fees. In no case may FEMA aggregate multiple requests on unrelated subjects from one requester.

(c) In accordance with the prohibition of section (4)(A)(iv) of the Freedom of Information Act, as amended, FEMA shall not charge fees to any requester, including commercial use requesters, if the cost of collecting a fee would be equal to or greater than the fee itself.

(1) For commercial use requesters, if the direct cost of searching for, reviewing for release, and duplicating the records sought would not exceed \$30.00, FEMA shall not charge the requester any costs.

(2) For requests from representatives of news media or educational and non-commercial scientific institutions, ex-

cluding the first 100 pages which are provided at no charge, if the duplication cost would not exceed \$30.00, FEMA shall not charge the requester any costs.

(3) For all other requests not falling within the category of commercial use requests, representatives of news media, or educational and noncommercial scientific institutions, if the direct cost of searching for and duplicating the records sought, excluding the first two hours of search time and first 100 pages which are free of charge, would not exceed \$30.00, FEMA shall not charge the requester any costs.

[52 FR 13677, Apr. 24, 1987]

§ 5.43 Waiver or reduction of fees.

(a) FEMA may waive all fees or levy a reduced fee when disclosure of the information requested is deemed to be in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Federal Government and is not primarily in the commercial interest of the requester.

(b) A fee waiver request shall indicate how the information will be used, to whom it will be provided, whether the requester intends to use the information for resale at a fee above actual cost, any personal or commercial benefits that the requester reasonably expects to receive by the disclosure, provide justification to support how release would benefit the general public, the requester's and/or intended user's identity and qualifications, expertise in the subject area and ability and intention to disseminate the information to the public.

[52 FR 13678, Apr. 24, 1987]

§ 5.44 Prepayment of fees.

(a) When FEMA estimates or determines that allowable charges that a requester may be required to pay are likely to exceed \$250.00, FEMA may require a requester to make an advance payment of the entire fee before continuing to process the request.

(b) When a requester has previously failed to pay a fee charged in a timely fashion (i.e., within 30 days of the date of the billing), FEMA may require the requester to pay the full amount owed

§ 5.45

44 CFR Ch. I (10–1–09 Edition)

plus any applicable interest as provided in § 5.46(d), and to make an advance payment of the full amount of the estimated fee before the agency begins to process a new request or a pending request from that requester.

(c) When FEMA acts under paragraphs (a) or (b) of this section, the administrative time limits prescribed in subsection (a)(6) of the FOIA (i.e., 10 working days from the receipt of initial requests and 20 working days from receipt of appeals from initial denial, plus permissible extensions of these time limits) will begin only after FEMA has received fee payments described under paragraphs (a) or (b) of this section.

[52 FR 13678, Apr. 24, 1987]

§ 5.45 Form of payment.

Payment shall be by check or money order payable to the Federal Emergency Management Agency and shall be addressed to the official designated by FEMA in correspondence with the requestor or to the Headquarters FOIA Officer or Regional FOIA Officer, as appropriate.

[44 FR 50287, Aug. 27, 1979, as amended at 48 FR 44542, Sept. 29, 1983]

§ 5.46 Fee schedule.

(a) *Manual searches for records.* FEMA will charge at the salary rate(s), (i.e., basic hourly pay rate plus 16 percent) of the employee(s) conducting the search. FEMA may assess charges for time spent searching, even if the agency fails to locate the records or if records located are determined to be exempt from disclosure. FEMA may assess charges for time spent searching, even if FEMA fails to locate the records or if records located are determined to be exempt from disclosure.

(b) *Computer searches for records.* FEMA will charge the actual direct cost of providing the service. This will include the cost of operating the central processing unit (CPU) for that portion of operating time that is directly attributable to searching for records responsive to a FOIA request and operator/programmer salary apportionable to the search. FEMA may assess charges for time spent searching, even if FEMA fails to locate the records or

if records located are determined to be exempt from disclosure.

(c) *Duplication costs.* (1) For copies of documents reproduced on a standard office copying machine in sizes up to 8½x14 inches, the charge will be \$.15 per page.

(2) The fee for reproducing copies of records over 8½x14 inches or whose physical characteristics do not permit reproduction by routine electrostatic copying shall be the direct cost of reproducing the records through government or commercial sources. If FEMA estimates that the allowable duplication charges are likely to exceed \$25, it shall notify the requester of the estimated amount of fees, unless the requester has indicated in advance his/her willingness to pay fees as high as those anticipated. Such a notice shall offer a requester the opportunity to confer with agency personnel with the objective of reformulating the request to meet his/her needs at a lower cost.

(3) For copies prepared by computer, such as tapes or printouts, FEMA shall charge the actual cost, including operator time, of production of the tape or printout. If FEMA estimates that the allowable duplication charges are likely to exceed \$25, it shall notify the requester of the estimated amount of fees, unless the requester has indicated in advance his/her willingness to pay fees as high as those anticipated. Such a notice shall offer a requester the opportunity to confer with agency personnel with the objective of reformulating the request to meet his/her needs at a lower cost.

(4) For other methods of reproduction or duplication, FEMA shall charge the actual direct costs of producing the document(s). If FEMA estimates that the allowable duplication charges are likely to exceed \$25, it shall notify the requester of the estimated amount of fees, unless the requester has indicated in advance his/her willingness to pay fees as high as those anticipated. Such a notice shall offer a requester the opportunity to confer with agency personnel with the objective of reformulating the request to meet his/her needs at a lower cost.

(d) Interest may be charged to those requesters who fail to pay fees charged. FEMA may begin assessing interest

Federal Emergency Management Agency, DHS

§ 5.53

charges on the amount billed starting on the 31st day following the day on which the billing was sent. Interest will be at the rate prescribed in section 3717 of Title 31 U.S.C. and will accrue from the date of the billing.

(e) FEMA shall use the most efficient and least costly methods to comply with requests for documents made under the FOIA. FEMA may choose to contract with private sector services to locate, reproduce and disseminate records in response to FOIA requests when that is the most efficient and least costly method. When documents responsive to a request are maintained for distribution by agencies operating statutory-based fee schedule programs, such as but not limited to the Government Printing Office or the National Technical Information Service, FEMA will inform requesters of the steps necessary to obtain records from those sources.

[52 FR 13678, Apr. 24, 1987, as amended at 52 FR 33410, Sept. 3, 1987]

§ 5.47 Appeals regarding fees.

A requestor whose application for a fee waiver or a fee reduction is denied may appeal that decision to the Deputy Administrator in the manner prescribed in subpart D.

Subpart D—Described Records

§ 5.50 General.

(a) Except for records made available pursuant to subpart B, FEMA shall promptly make records available to a requestor pursuant to a request which reasonably described such records unless FEMA invokes an exemption pursuant to subpart E. Although the burden of reasonable description of the records rests with the requestor, FEMA will assist in identification to the extent practicable. Where requested records may be involved in litigation or other judicial proceedings in which the United States is a party, the procedures set forth under § 5.8 shall be followed.

(b) Upon receipt of a request which does not reasonably describe the records requested, FEMA may contact the requestor to seek a more specific description. The 10-day time limit set

forth in § 5.52 will not start until a request reasonably describing the records is received in the office of the appropriate official identified in § 5.51.

§ 5.51 Submission of requests for described records.

(a) For records located in the FEMA Headquarters, requests shall be submitted in writing, to the Headquarters FOIA Officer, Federal Emergency Management Agency, Washington, DC 20472. For records located in the FEMA Regional Offices, requests shall be submitted to the appropriate Regional FOIA Officer, at the address listed in § 5.26. Requests should bear the legend “Freedom of Information Request” prominently marked on both the face of the request letter and the envelope. The 10-day time limit for agency determinations set forth in § 5.52 shall not start until a request is received in the office of the appropriate official identified in this paragraph.

(b) The Headquarters FOIA Officer shall respond to questions concerning the proper office to which Freedom of Information requests should be addressed.

§ 5.52 Review of requests.

(a) Upon receipt of a request for information, the Headquarters FOIA Officer, or the Regional FOIA Officer for a regional office, will forward the request to the FEMA office which has custody of the record.

(b) Upon any request for records made pursuant to § 5.20, § 5.24, or § 5.51, the office having custody of the records shall determine within 10 workdays, after receipt of any such request in the office of the appropriate official identified in § 5.51 whether to comply with the request. If the request is approved, the office having custody of the record shall notify the requestor and the Headquarters FOIA Officer whether request originated in Headquarters, Region or field.

§ 5.54

records may be inspected and copied as provided in § 5.26.

§ 5.54 Denial of request of records.

(a) Each of the following officials within FEMA, any official designated to act for the official, or any official redelegated authority by such officials shall have the authority to make initial denials of requests for disclosure of records in his or her custody, and shall, in accordance with 5 U.S.C. 552(a)(6)(C) be the responsible official for denial of records under this part.

- (1) Deputy Administrator(s).
- (2) [Reserved]
- (3) Federal Insurance Administrator.
- (4) Assistant Administrators.
- (5) United States Fire Administrator.
- (6) Chief of Staff.
- (7) Office Directors.
- (8) Chief Counsel.
- (9) [Reserved]
- (10) Chief Financial Officer.
- (11) Regional Administrators.

(b) If a request is denied, the appropriate official listed in paragraph (a) of this section shall except as provided in § 5.56 advise the requestor within 10 workdays of receipt of the request by the official specified in § 5.51 and furnish written reasons for the denial. The denial will (1) describe the record or records requested, (2) state the reasons for nondisclosure pursuant to subpart E, (3) state the name and title or position of the official responsible for the denial of such request, and (4) state the requestor's appeal rights.

(c) In the event FEMA cannot locate requested records the appropriate official specified in paragraph (a) of this section will inform the requestor (1) that the agency has determined at the present time to deny the request because the records have not yet been found or examined, but (2) that the agency will review the request within a specified number of days, when the search or examination is expected to be complete. The denial letter will state the name and title or position of the official responsible for the denial of such request. In such event, the re-

questor may file an agency appeal immediately, pursuant to § 5.55.

[44 FR 50287, Aug. 27, 1979, as amended at 48 FR 44542, Sept. 29, 1983; 50 FR 40006, Oct. 1, 1985; 51 FR 34604, Sept. 30, 1986; 74 FR 15333, Apr. 3, 2009]

§ 5.55 Appeal within FEMA of denial of request.

(a) A requestor denied access, in whole or in part, to FEMA records may appeal that decision within FEMA. All appeals should be addressed to the Headquarters FOIA Officer, Federal Emergency Management Agency, Washington, DC, 20472 regardless of whether the denial being appealed was made at Headquarters, in a field office, or by a Regional Administrator.

(b) An appeal must be received in the Headquarters FOIA Office no later than thirty calendar days after receipt by the requestor of the initial denial.

(c) An appeal must be in writing and should contain a brief statement of the reasons why the records should be released and enclose copies of the initial request and denial. The appeal letter should bear the legend, "FREEDOM OF INFORMATION APPEAL," conspicuously marked on both the face of the appeal letter and on the envelope. FEMA has twenty workdays after the receipt of an appeal to make a determination with respect to such appeal. The twenty day time limit shall not begin to run until the appeal is received by the Headquarters FOIA Officer. Misdirected appeals should be promptly forwarded to that office.

(d) The Headquarters FOIA Officer will submit the appeal to the Deputy Administrator for final administrative determination.

(e) The Deputy Administrator shall be the deciding official on all appeals except in those cases in which the initial denial was made by him/her. If the Deputy Administrator made the initial denial, the Administrator will be the deciding official on any appeal from that denial. In the absence of the Deputy Administrator, or in case of a vacancy in that office, the Administrator may designate another FEMA official to perform the Deputy Administrator's functions.

(f) If an appeal is filed in response to a tentative denial pending locating

and/or examination of records, as described in § 5.53(c), FEMA will continue to search for and/or examine the requested records and will issue a response immediately upon completion of the search and/or examination. Such action in no way suspends the time for FEMA's response to the requestor's appeal which FEMA will continue to process regardless of the response under this paragraph.

(g) If a requestor files suit pending an agency appeal, FEMA nonetheless will continue to process the appeal, and will furnish a response within the twenty day time limit set out in paragraph (c) of this section.

(h) If, on appeal, the denial of the request for records is in whole or in part upheld, the Deputy Administrator will promptly furnish the requestor a copy of the ruling in writing within the twenty day time limit set out in paragraph (c) of this section except as provided in § 5.55. The notification letter shall contain:

- (1) A brief description of the record or records requested;
- (2) A statement of the legal basis for nondisclosure;
- (3) A statement of the name and title or position of the official or officials responsible for the denial of the initial request as described in § 5.54 and the denial of the appeal as described in paragraph (f) of this section, and
- (4) A statement of the requestor's rights of judicial review.

[44 FR 50287, Aug. 27, 1979, as amended at 45 FR 1422, Jan. 7, 1980; 50 FR 40006, Oct. 1, 1985]

§ 5.56 Extension of time limits.

In unusual circumstances as specified in this section, the time limits prescribed in §§ 5.52 and 5.55 may be extended by an official named in § 5.54(a) who will provide written notice to the requestor setting forth the reasons for such extension and the date on which a determination is expected. Such notice will specify no date that would result in an extension of more than ten work days. In unusual circumstances, the Headquarters FOIA Officer may authorize more than one extension, divided between the initial request stage and the appeals stage, but in no event will the combined periods of extension exceed ten work days. As used in this

section, "unusual circumstances" include only those circumstances where extension of time is reasonably necessary to the proper processing of the particular request. Examples include:

- (a) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request; or
- (b) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or
- (c) The need for consultation, which shall be conducted with all practicable speed, with another agency or with a non-Federal source having a substantial interest in the determination of the request or among two or more components of FEMA having substantial subject matter interest therein.

§ 5.57 Predisclosure notification procedures for confidential commercial information.

(a) *In general.* Business information provided to FEMA by a business submitter shall not be disclosed pursuant to a Freedom of Information Act (FOIA) request except in accordance with this section. For purposes of this section, the following definitions apply:

(1) *Confidential commercial information* means records provided to the government by a submitter that arguably contain material exempt from release under Exemption 4 of the Freedom of Information Act, 5 U.S.C 552(b)(4), because disclosure could reasonably be expected to cause substantial competitive harm.

(2) *Submitter* means any person or entity who provides confidential commercial information to the government. The term *submitter* includes, but is not limited to, corporations, State governments, and foreign governments.

(b) *Notice to business submitters.* FEMA shall provide a submitter with prompt notice of receipt of a Freedom of Information Act request encompassing its business information whenever required in accordance with paragraph (c) of this section, and except as provided in paragraph (g) of this section. The written notice shall either describe

the exact nature of the business information requested or provide copies of the records or portions of records containing the business information.

(c) *When notice is required.* (1) For confidential commercial information submitted prior to January 1, 1988, FEMA shall provide a submitter with notice of receipt of a FOIA request whenever:

(i) The records are less than 10 years old and the information has been designated by the submitter as confidential commercial information;

(ii) FEMA has reason to believe that disclosure of the information could reasonably result in commercial or financial injury to the submitter; or

(iii) The information is subject to prior express commitment of confidentiality given by FEMA to the submitter.

(2) For confidential commercial information submitted to FEMA on or after January 1, 1988, FEMA shall provide a submitter with notice of receipt of a FOIA request whenever:

(i) The submitter has in good faith designated the information as commercially or financially sensitive information; or

(ii) FEMA has reason to believe that disclosure of the information could reasonably result in commercial or financial injury to the submitter.

(3) Notice of a request for confidential commercial information falling within paragraph (c)(2)(i) of this section shall be required for a period of not more than 10 years after the date of submission unless the submitter requests, and provides acceptable justification for, a specific notice period of greater duration.

(4) Whenever possible, the submitter's claim of confidentiality shall be supported by a statement or certification by an officer or authorized representative of the company that the information in question is in fact confidential commercial or financial information and has not been disclosed to the public.

(d) *Opportunity to object to disclosure.* (1) Through the notice described in paragraph (b) of this section, FEMA shall afford a submitter 7 working days within which to provide FEMA with a detailed statement of any objection to

disclosure. Such statement shall specify all grounds for withholding any of the information under any exemptions of the Freedom of Information Act and, in the case of Exemption 4, shall demonstrate why the information is contended to be a trade secret or commercial or financial information which is considered privileged or confidential. Information provided by a submitter pursuant to this paragraph may itself be subject to disclosure under the FOIA.

(2) When notice is given to a submitter under this section, FEMA shall notify the requester that such notice has been given to the submitter. The requester will be further advised that a delay in responding to the request, i.e., 10 working days after receipt of the request by FEMA or 20 working days after receipt of the request by FEMA if the time limits are extended under unusual circumstances permitted by the FOIA, may be considered a denial of access to records and the requester may proceed with an administrative appeal or seek judicial review, if appropriate.

(e) *Notice of intent to disclose.* FEMA shall consider carefully a submitter's objections and specific grounds for non-disclosure prior to determining whether to disclose business information. Whenever FEMA decides to disclose business information over the objection of a submitter, FEMA shall forward to the submitter a written notice which shall include:

(1) A statement of the reasons for which the submitter's disclosure objections were not sustained;

(2) A description of the business information to be disclosed; and

(3) A specified disclosure date, which is 7 working days after the notice of the final decision to release the requested information has been mailed to the submitter. FEMA shall inform the submitter that disclosure will be made by the specified disclosure date, unless the submitter seeks a court injunction to prevent its release by the date. When notice is given to a submitter under this section, FEMA shall notify the requester that such notice has been given to the submitter and the proposed date for disclosure.

(f) *Notice of lawsuit.* (1) Whenever a requester brings legal action seeking to

Federal Emergency Management Agency, DHS

§ 5.70

compel disclosure of business information covered by paragraph (c) of this section, FEMA shall promptly notify the submitter.

(2) Whenever a submitter brings legal action seeking to prevent disclosure of business information covered by paragraph (c) of this section, FEMA shall promptly notify the requester.

(g) *Exception to notice requirement.* The notice requirements of this section shall not apply if:

(1) FEMA determines that the information shall not be disclosed;

(2) The information has been published or otherwise officially made available to the public;

(3) Disclosure of the information is required by law (other than 5 U.S.C. 552); or

(4) The information was required in the course of a lawful investigation of a possible violation of criminal law.

§ 5.58 Exhaustion of administrative remedies.

Any person making a request to FEMA for records under this part shall be deemed to have exhausted his administrative remedies with respect to the request if the agency fails to comply with the applicable time limit provisions set forth in §§ 5.52 and 5.55.

§ 5.59 Judicial relief available to the public.

Upon denial of a requestor's appeal by the Deputy Administrator the requester may file a complaint in a district court of the United States in the district in which the complainant resides, or has his principal place of business, or in which the agency records are situated, or in the District of Columbia, pursuant to 5 U.S.C. 552(a)(4)(B).

§ 5.60 Disciplinary action against employees for "arbitrary or capricious" denial.

Pursuant to 5 U.S.C. 552(a)(4)(F), whenever the district court, described in § 5.59 orders the production of any

FEMA records improperly withheld from the complainant and assesses against the United States reasonable attorney fees and other litigation costs, and the court additionally issues a written finding that the circumstances surrounding the withholding raise questions whether FEMA personnel acted arbitrarily or capriciously with respect to the withholding, the Special Counsel in the Merit Systems Protection Board is required to initiate a proceeding to determine whether disciplinary action is warranted against the officer or employee who primarily was responsible for the withholding. The Special Counsel after investigation and consideration of the evidence submitted, submits findings and recommendations to the Administrator of FEMA and sends copies of the findings and recommendations to the officer or employee or his or her representative. The law requires the Administrator to take any corrective action which the Special Counsel recommends.

§ 5.61 Contempt for noncompliance.

In the event of noncompliance by FEMA with an order of a district court pursuant to § 5.60, the district court may punish for contempt the FEMA employee responsible for the noncompliance, pursuant to 5 U.S.C. 552(a)(4)(G).

Subpart E—Exemptions

§ 5.70 General.

The exemptions enumerated in 5 U.S.C. 552(b), under which the provisions for availability of records and informational materials will not apply, are general in nature. FEMA will decide each case on its merits in accordance with the FEMA policy expressed in subpart A.

§ 5.71 Categories of records exempt from disclosure under 5 U.S.C. 552.

5 U.S.C. 552(b) provides that the requirements of the statute do not apply to matters that are:

(a) Specifically authorized under criteria established by an Executive Order to be kept secret in the interest of national defense or foreign policy and are, in fact, properly classified pursuant to such Executive Order.

(b) Related solely to the internal personnel rules and practices of an agency.

(c) Specifically exempted from disclosure by statute other than section 552(b) of title 5, provided that such statute (1) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue or (2) establishes particular criteria for withholding or refers to particular types of matter to be withheld.

(d) Trade secrets and commercial or financial information obtained from a person and privileged or confidential.

(e) Inter-agency or intra-agency memoranda or letters which would not be available by law to a party other than an agency in litigation with the agency.

(f) Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

(g) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(1) Could reasonably be expected to interfere with enforcement proceedings;

(2) Would deprive a person of a right to a fair trial or an impartial adjudication;

(3) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(4) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency

conducting a lawful national security intelligence investigation, information furnished by a confidential source;

(5) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(6) Could reasonably be expected to endanger the life or physical safety of any individual.

(h) Contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of any agency responsible for the regulation or supervision of financial institutions.

(i) Geological and geophysical information and data, including maps, concerning wells. Any reasonably segregable portion of a record shall be provided to any person requesting the record after deletion of the portions which are exempt under this section.

(j) Whenever a request is made which involves access to records described in paragraph (g)(1) of this section and the investigation or proceeding involves a possible violation of criminal law; and there is reason to believe that the subject of the investigation or proceeding is not aware of its pendency, and disclosure of the existence of the records could reasonably be expected to interfere with enforcement proceedings, FEMA may, during only such time as that circumstance continues, treat the records as not subject to the requirements of 5 U.S.C. 552 and this subpart.

[44 FR 50287, Aug. 27, 1979, as amended at 52 FR 13679, Apr. 24, 1987]

§ 5.72 Executive privilege exemption.

Where application of the executive privilege exemption is desired, the matter shall be forwarded to the Administrator for consideration. If the request for information is Congressional, only the President may invoke the exemption. Presidential approval is not necessarily required if the request for information is in connection with judicial or adjudicatory proceedings or otherwise. In connection with judicial proceedings, the response shall be coordinated with the Department of Justice.

Subpart F—Subpoenas or Other Legal Demands for Testimony or the Production or Disclosure of Records or Other Information

SOURCE: 54 FR 11715, Mar. 22, 1989, unless otherwise noted.

§ 5.80 Scope and applicability.

(a) This subpart sets forth policies and procedures with respect to the disclosure or production by FEMA employees, in response to a subpoena, order or other demand of a court or other authority, of any material contained in the files of the Agency or any information relating to material contained in the files of the Agency or any information acquired by an employee as part of the performance of that person's official duties or because of that person's official status.

(b) This subpart applies to State and local judicial, administrative and legislative proceedings, and Federal judicial and administrative proceedings.

(c) This subpart does not apply to Congressional requests or subpoenas for testimony or documents, or to an employee making an appearance solely in his or her private capacity in judicial or administrative proceedings that do not relate to the Agency (such as cases arising out of traffic accidents, domestic relations, etc.).

(d) The Department of Homeland Security's regulations, 6 CFR 5.41 through 5.49, apply to any subject matter not already covered by this subpart, including but not limited to demands or requests directed to current or former FEMA contractors.

[54 FR 11715, Mar. 22, 1989, as amended at 72 FR 43546, Aug. 6, 2007]

§ 5.81 Statement of policy.

(a) It is the policy of FEMA to make its records available to private litigants to the same extent and in the same manner as such records are made available to members of the general public, except where protected from disclosure by litigation procedural authority (e.g., Federal Rules of Civil Procedure) or other applicable law.

(b) It is FEMA's policy and responsibility to preserve its human resources

for performance of the official functions of the Agency and to maintain strict impartiality with respect to private litigants. Participation by FEMA employees in private litigation in their official capacities is generally contrary to this policy.

§ 5.82 Definitions.

For purposes of this subpart, the following terms have the meanings ascribed to them in this section:

(a) *Demand* refers to a subpoena, order, or other demand of a court of competent jurisdiction, or other specific authority (e.g., an administrative or State legislative body), signed by the presiding officer, for the production, disclosure, or release of FEMA records or information or for the appearance and testimony of FEMA personnel as witnesses in their official capacities.

(b) *Employee of the Agency* includes all officers and employees of the United States appointed by or subject to the supervision, jurisdiction or control of the Administrator of FEMA.

(c) *Private litigation* refers to any legal proceeding which does not involve as a named party the United States Government, or the Federal Emergency Management Agency, or any official thereof in his or her official capacity.

§ 5.83 Authority to accept service of subpoenas.

In all legal proceedings between private litigants, a subpoena duces tecum or subpoena ad testificandum or other demand by a court or other authority for the production of records held by FEMA Regional offices or for the oral or written testimony of FEMA Regional employees should be addressed to the appropriate Regional Administrator listed in § 5.26. For all other records or testimony, the subpoena should be addressed to the Chief Counsel, FEMA, 500 C Street SW., Washington, DC 20472 Washington, DC 20472. No other official or employee of FEMA is authorized to accept service of subpoenas on behalf of the Agency.

§ 5.84

§ 5.84 Production of documents in private litigation.

(a) The production of records held by FEMA in response to a subpoena duces tecum or other demand issued pursuant to private litigation, whether or not served in accordance with the provisions of § 5.83 of this subpart, is prohibited absent authorization by the Chief Counsel.

(b) Whenever an official or employee of FEMA, including any Regional Administrator, receives a subpoena or other demand for the production of Agency documents or material, he or she shall immediately notify and provide a copy of the demand to the Chief Counsel.

(c) The Chief Counsel, after consultation with other appropriate officials as deemed necessary, shall promptly determine whether to disclose the material or documents identified in the subpoena or other demand. Generally, authorization to furnish the requested material or documents shall not be withheld unless their disclosure is prohibited by relevant law or for other compelling reasons.

(d) Whenever a subpoena or demand commanding the production of any record is served upon any Agency employee other than as provided in § 5.83 of this subpart, or the response to a demand is required before the receipt of instructions from the Chief Counsel, such employee shall appear in response thereto, respectfully decline to produce the record(s) on the ground that it is prohibited by this section and state that the demand has been referred for the prompt consideration of the Chief Counsel.

(e) Where the release of documents in response to a subpoena duces tecum is authorized by the Chief Counsel, the official having custody of the requested records will furnish, upon the request of the party seeking disclosure, authenticated copies of the documents. No official or employee of FEMA shall respond in strict compliance with the terms of a subpoena duces tecum unless specifically authorized by the Chief Counsel.

44 CFR Ch. I (10–1–09 Edition)

§ 5.85 Authentication and attestation of copies.

The Administrator, Deputy Administrators, Regional Administrators, Assistant Administrators, United States Fire Administrator, Federal Insurance Administrator, Chief Counsel, and their designees, and other heads of offices having possession of records are authorized in the name of the Administrator to authenticate and attest for copies or reproductions of records. Appropriate fees will be charged for such copies or reproductions based on the fee schedule set forth in section 5.46 of this part.

[74 FR 15334, Apr. 3, 2009]

§ 5.86 Production of documents in litigation or other adjudicatory proceeding in which the United States is a party.

Subpoenas duces tecum issued pursuant to litigation or any other adjudicatory proceeding in which the United States is a party shall be handled as provided at § 5.8.

§ 5.87 Testimony of FEMA employees in private litigation.

(a) No FEMA employee shall testify in response to a subpoena or other demand in private litigation as to any information relating to material contained in the files of the Agency, or any information acquired as part of the performance of that person's official duties or because of that person's official status, including the meaning of Agency documents.

(b) Whenever a demand is made upon a FEMA employee, for the disclosure of information described in paragraph (a) of this section, that employee shall immediately notify the Office of Chief Counsel. The Chief Counsel, upon receipt of such notice and absent waiver of the general prohibition against employee testimony at his or her discretion, shall arrange with the appropriate United States Attorney the taking of such steps as are necessary to quash the subpoena or seek a protective order.

(c) In the event that an immediate demand for testimony or disclosure is made in circumstances which would

preclude prior notice to and consultation with the Chief Counsel, the employee shall respectfully request from the demanding authority a stay in the proceedings to allow sufficient time to obtain advice of counsel.

(d) If the court or other authority declines to stay the effect of the demand in response to a request made in accordance with paragraph (c) of this section pending consultation with counsel, or if the court or other authority rules that the demand must be complied with irrespective of instructions not to testify or disclose the information sought, the employee upon whom the demand has been made shall respectfully decline to comply with the demand, citing these regulations and *United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951).

§ 5.88 Testimony in litigation in which the United States is a party.

(a) Whenever, in any legal proceeding in which the United States is a party, the attorney in charge of presenting the case for the United States requests it, the Chief Counsel shall arrange for an employee of the Agency to testify as a witness for the United States.

(b) The attendance and testimony of named employees of the Agency may not be required in any legal proceeding by the judge or other presiding officer, by subpoena or otherwise. However, the judge or other presiding officer may, upon a showing of exceptional circumstances (such as a case in which a particular named FEMA employee has direct personal knowledge of a material fact not known to the witness made available by the Agency) require the attendance and testimony of named FEMA personnel.

§ 5.89 Waiver.

The Chief Counsel may grant, in writing, a waiver of any policy or procedure prescribed by this subpart, where waiver is considered necessary to promote a significant interest of the Agency or for other good cause. In granting such waiver, the Chief Counsel shall attach to the waiver such reasonable conditions and limitations as are deemed appropriate in order that a response in strict compliance with the terms of a subpoena duces tecum or the

providing of testimony will not interfere with the duties of the employee and will otherwise conform to the policies of this part. The Administrator may, in his or her discretion, review any decision to authorize a waiver of any policy or procedure prescribed by this subpart.
